Customize watermark  
add note & make annotations

A smartphone displaying the CamScanner app interface. The screen shows a scanned document with the text: "Auto-crop and Auto Enhance the Scanned Pictures and Convert Them to PDF Files". There are handwritten annotations in red: "great document manage" and a red arrow pointing to the text. A blue watermark "WATER MARK" is visible. A circular overlay contains the options "Add Annotation" and "Add Watermark". The bottom navigation bar includes icons for Rotate, Mark, OCR, Share, and Note.
